Emergency Action Plan

Medical Emergency:

Head Coach- Stay with player

Assistant 1- Call President to send Ambulance (during game), or get medical bag/equipment/AED

Assistant 2- Call 911

AED Location- Equipment shed to the left of entrance

Parents- If your athlete is injured on the field during a game, please wait at the emergency entrance for emergency personnel to bring player off field. **DO NOT ENTER THE FIELD**. This is in an effort to keep everyone, including your athlete safe.

If your athlete is injured during a practice you may step onto the field once the area is cleared and it has been determined that it is safe for you to do so by a coach or safety personnel.

Weather Emergency:

Head Coach- Instruct all players to exit the field

Assistant Coaches- Assist players in finding their parents/rides

Parents- If there are suspected storms coming in, please remain at the field or be close by so we can quickly and safely get athletes off the field.

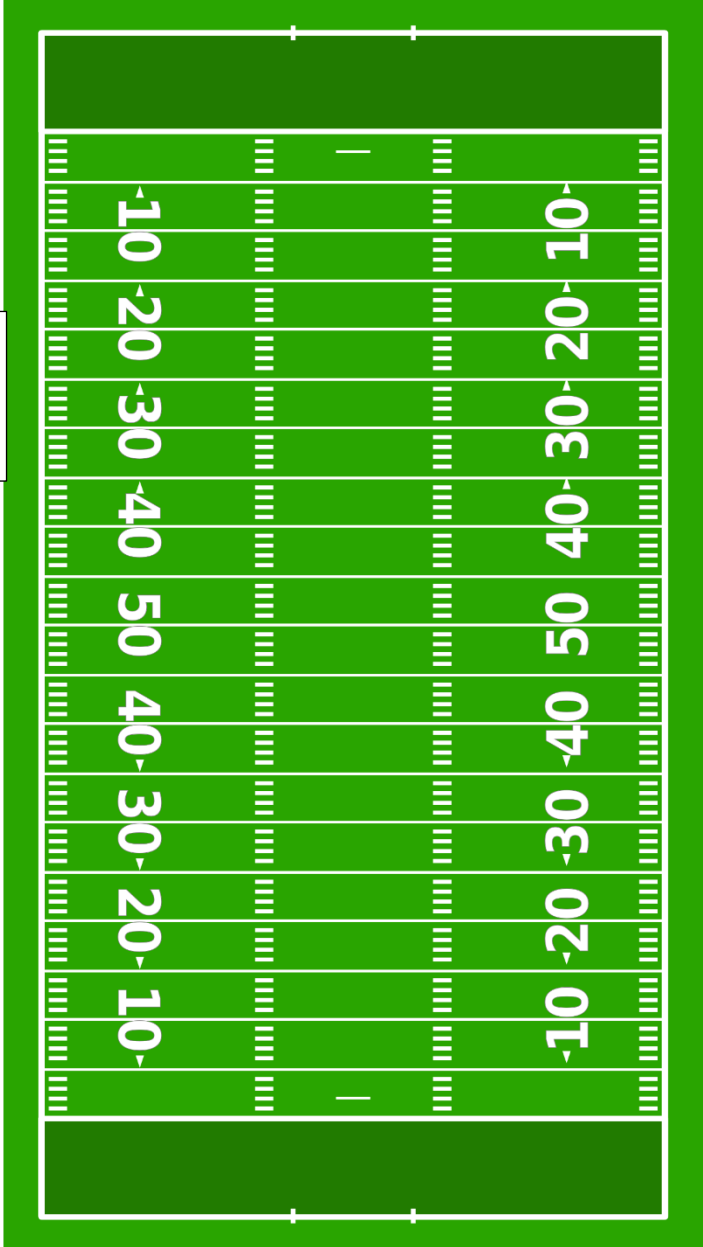

Please feel free to reach out with question or concerns on how emergency situations may be handled.
